

# IEEE International Workshop on Quality Oriented Engineering

## QOE 2020

in conjunction with **QRS 2020**  
December 11-14, 2020 • Macau, China

Dear Authors:

Although your submission to QRS 2020 is not accepted by the main conference, after reviewing the comments provided by the program committee members we believe that it is still of good quality and can contribute to the scientific community.

Hence, we are pleased to recommend that your paper be included in the QRS 2020 Companion, which will be published by the IEEE Conference Publishing Services.

At the conference, we will group your papers into sessions with others in the same topic. This implies that in the conference program, your paper will be listed under an appropriate session. You have 30 minutes for your oral presentation, including questions and answers.

After the conference, your paper will be uploaded to the IEEE digital library and will also be submitted for Ei-index.

In the future, you can cite your paper by saying that it is published in the Companion of the 20th IEEE International Conference on Software Quality, Reliability, and Security.

### **Format and Proceedings**

The QOE workshop will be co-located with QRS 2020. Registered workshop attendees can attend all the technical and social events at the main conference and the workshop. Accepted papers will be published in the QRS 2020 Companion and will be made available in the IEEE digital library and EI indexed as well.

### **Important Dates**

- Submission deadline: June 15, 2020
- Author notification: July 10, 2020

### **General Inquiries**

For more detailed and updated information, please refer to <https://qrs20.techconf.org/workshops/qoe>, or contact workshop chairs Professor Shih-Kun Huang at [skhuang@cs.nctu.edu.tw](mailto:skhuang@cs.nctu.edu.tw) or Dr. Yihao Li (Graz University of Technology) at [yihao.li@ist.tugraz.at](mailto:yihao.li@ist.tugraz.at).
